The circumstances under which the Survey no 21 was granted for chattram purposes are explained by the Dy Commr as follows:—

Sir,

Adverting to your official Memo No. 1,182 dated the 17th June 1895, forwarding for report the petition of Harzam Konda of Chintamani, praying for the restoration to him of the barber Inam lands referred to, I beg to state as follows:—

2. An extent of 7 Kudus of land :- * nos 94
Consisting of 7 numbers as per margin * 78
with an assessment of Rs. A. P. 5-8-6 was 75
originally 9
service Inam assigned for 67
musical service in the temple of Sri 69
Anjaneyaswami at Chintamani. 11

During

During the Survey those numbers were made into the marginally noted ⊗ 6 Survey Nos with an extent of A 6 — G 6 apeped at Rs. A — P 8 — 8 — 0. Of them, Survey Nos 20 + 27 apeped at Rs 3 — 4 — 0 were taken up for opening a gate and Constructing an hospital respectively and another land Survey no 73 apeped at Rs 3-4-0 was given in lieu thereof. Survey no 17 measuring A 1 — G 4 was taken up by the P.W.D and Compensation paid. The Complaint of the petitioner is in respect of Survey no 21 taken up for the Construction of a Chathram under the following Circumstances. Maji Iram No 67 had been given over by one of the hissedars of the petitioner to one Komarla Ramachandriah for a brick-kiln As it had become unfit for cultivation on account of excavation of earth for making bricks, it was treated by the Survey Department as 0 — uncultivable

uncultivable waste and no assessment
was charged thereon. One Bidden
Sab applied for it for Constructing a
Chattram at his own Cost by filling up
the pits &c. It was accordingly granted
to him vide order No. 253 dated the
10th July 1890 by the then Deputy
Commissioner Mr. Abdul Rejman Sahib.
But the owner thereof does not seem to
have been Compensated as in the Case
of Survey No. 17 taken up by the P.W.D.
Thus it will be seen that no land
in exchange was given in respect of
these two numbers probably on the
Score of their not having been assessed.
The petitioner now claims land in
exchange for No. 21, granted for the
Construction of a Chattram. The
Amildar is of opinion that nothing
can be done now as the claim is now
put forth long after the Survey &
Settlement when the land in question
was treated as Kharab.
